

end of empire

deep survival

within the minds of all

Roundup calls out

to Billy Gilded Creator

Roundup calls

Billy come to lunch

Billy replies back

what and have you kidnap me again

course I won't

I've learned my lesson

I told you

I've changed myself

round to your point of seeing

and thinking

no I am your friend

I have an offer to make you

I'll call today at 12

declares Billy

at Mountain Heights

instructs Roundup

I would like you to arrange a marriage

between my daughter Marly and

your son

Billy Junior

requests Roundup

Marriage what are you talking about

haven't you learned anything from our kidnap

torture discussions

I thought you had learned that marriage does

not fit with beyond dualism that well

You may have it but now the trend is freedom  
and couples love and have children without  
the need for marriage

You disappoint me Roundup anyway

my Billy Junior may not like your Marly

Marly pleads with her unmarried father

she is a sweet teenager very

pretty to whom all life is

fresh and beginning

I want to be with him

father

I love Billy junior he is

so beautiful so strong

handsome and I want to

hold him in my arms

you must let me

## Roundup replies

You haven't found out if he  
wants to marry you  
but I don't want you to  
very much he's a  
rebel an anarchist  
one of those nihilists  
yet I have spoken to  
his father the arch  
protestor Billy Gilded  
he too is reluctant  
but he will talk to  
his son and you  
two may meet up  
to find your way

oh thank you

father I knew

you would help

I am your

joy after all

hi mate need any help  
got any work needs doing  
for me and my brother here

I might

Billy Junior is digging  
as the two young men  
impoverished looking  
appear before him  
at his new place he is building

## Tommy's dreamy nightmare

what's the use of it

what's the use of having

visions Freddie

if you can't do

anything about them

no-one can take

notice of it

we must eradicate the

rich and the poor

my vision declares

what vision

I'm not sure it was

in a dream

a dream terrible

Tommy Faust is aging and going strange

he has called on Reverend Freddie Lawrenns to inform the minister

of dreams and nightmares Tommy frequently has

dreams in which he sees holy type visions of angels

of devils in the middle of a field of corn

The Lord Jesus you mean

queries Freddie

not sure

sometimes it appears so

He looks like light and all those  
long haired versions we know  
anyway whoever it is it  
says the same things over  
and over again

Abandon nationhood

Boundaries

Money

Free yourselves into the

Global Nation

it's crazy

who is ever going to

give up wealth and money

I wouldn't worry about it Tommy  
it sounds quite interesting  
changes and developments  
what's the problem

the problem is like I say  
why have these visions and messages  
if I can't do anything about them  
it will drive me mad  
if I ain't already

you should get out more

Tommy looks up at Freddie

smirks slightly

and departs saying

I will

thank you vicar

Freddie please

the two men laugh and part

Yes I'll take you on give you a trial run

Billy Junior declares to the twin brothers facing him who have asked  
for work to help him build the new life

they are Leslie and Vivian

both in their early twenties

strapping lads who look capable

so Gilded Creator's son takes a chance on them

can't pay you

don't want any pay

can feed and house you

that's enough

plus a little love and friendship

the one called Vivian announces

they all laugh and set to work

carving creating digging building rejoicing in the sunlight

and the dark nights of sleep

meanwhile Marly's nights are blessed torture as she dreams of the beautiful Billy Junior Gilded Creator son of Billy Gilded the original

she lies awake

thinking of him

remembering him

feeling him with her heart

yearning

how can she capture him

will he ever be hers

she smiles she warms she sobs

she sleeps

her father is against the marriage

his father is not too keen on it

the youngsters meet

Billy is all nerves and timid

Marly is all powerful and convinced

but he has to deny her

I like you but I do not love you

be patient with yourself

you will recover and find someone

Marly looks away and gathers her mind

yes I will

I'll find someone and go somewhere else

goodbye

Billy is double troubled because over the weeks he has found  
himself attracted to the boy Vivian  
he approaches his father

I think I am in love

well enjoy it my son

Billy Gilded encourages of his son Billy Junior

yes but he is a boy

and I'm not like that

I like girls

I want I need girls

Is he one of the twins helping at the structure

yea the one called Viv Vivian

I remember

what are you going to do about it

not sure

nothing for now

just carry on building the

new structure

the one without cruelty

good and evil

just sharing

sounds best

continue

let nature run its course

life is lived by natural morality

not man made morality

that is all gone now

all is done

with the lost world

meanwhile Marly has

drenched several handkerchiefs

her cheeks are soaked

with thick tears

her chest heaves and hurts

with sorrow and grief

at her plight

her love rejected

her life in ruins

her father has heard her and enters

he declares

to her

he does not deserve you

says Roundup

don't father don't feel

sorry for me

I have decided to leave you

all men and the world

comments Marly

I shall run to Slavonia

there is a convent there I have

heard about and I shall

ask them to admit me

I will spend my days

in the company

of Christ

his bride and companion

I've no need of time and men

place and waste

I shall create love and truth  
with the Lord Christ

but what of me  
you won't see me  
you are my treasure  
my love and life  
what will I do

you can always come  
to see me in Slavonia  
you are the richest man in life  
you can travel anywhere  
you can do what you want  
you control everything  
with your wealth and power

but you can't leave me like this

I am not the richest

there are others richer

than I my father your grandad

Corporatus is one

he is the hidden master

owner of existence

he streamlines everything

everyone is offered life

by and through him

he even controls me

he is the one who told me to

kidnap Billy Gilded Creator

that first time

but the boy man was too

clever for me he

seduced me with his thought

his imaginings  
I converted and released him  
let him escape  
now his son rejects you  
like a true brute  
how could he deny you  
he loves another I suppose

yea and I have heard he loves  
a boy

a boy worse and worse  
not rejected for a girl  
but for a boy  
how foolish how silly  
how useless  
what a waste of love

no offspring from those two  
maybe you should go to a convent  
  
and release yourself from the turmoil  
of the evil cruel selfish  
greedy world  
  
that such a youngster as  
Billy Junior could be so  
monstrous  
perhaps I'll join you  
in Slavonia  
  
    what father in the convent  
better and better  
why not  
you say I am rich enough  
to buy the convent

so maybe I will  
then love will reign over  
life's order and peace

Roundup collapses into a heap  
of tears and laughter

Marly puts her arm around him

you stay here

I'll go

you can visit me

and we will have a party

you always liked parties

you're so right my angel

I will always be your angel

dearest father

bother Billy Junior

yes bother him

continues her father

laugh him off

ha ha ha ha

ha ha ha

laughs Marly

Roundup states

that would be good

ha ha ha

forget him

shrug him off

father you

surprise me

good for me

they hug and laugh

Leslie suggests an idea to Vivian his sister

since you like our new friend

Billy Junior Gilded Creator

and seeing him I don't blame you

why nor ask him to go

swimming with you

will he want to

I don't know

Vivian responds

and you won't know till you ask

go ahead try

he might say yes

beside the waters

Vivian and Billy

Viv                    do you like me Billy

Billy                    I fear I do

Viv                    why fear

Billy                    because you are a boy  
                                  and I am a boy  
                                  I don't want that

Viv                    I will make you a man

Billy                    I'm afraid

Viv turns and enters the lake

he removes his tunic

Viv                    cover your face  
                          as I turn around

Billy does  
and Viv turns

Viv                    look

Billy                    but you are a woman

for Vivian proves to be a girl

after much building the new structure stands

Billy Junior Leslie and Vivian are

pleased to show it off to

Billy Gilded Creator

who is impressed and congratulatory

you have achieved much

very good
