

Fantasy 3 Persecutions

Ken Chinaman and Susan White

oh Billy Junior

something terrible has happened

declares Susan

to Billy Junior

does she say what

asks Wilhelmina

no of course not

Billy rejoins

Wilhelmina continues

typical they always

do say that

without explaining

Billy adds

I shall join her

she is still in the east

and so to the east Billy travels

Susan weeps

what's more since

they've arrested Ken

now they've thrown him

in prison

but why

I don't know

Billy comforts her

but they allowed

your new church

she looks at him

yes and Sunday

we opened to great

joy and many came

then in the morning a big

black truck arrived to

take him away saying he

flaunted the law pushing

an alien religion

like Christianity engaging
the eastern peoples

Billy asks

but why let you build a church

Susan replies

oh I feel they let us
set up so we could
be pulled down and he's
lost gone for ever

don't I will help you
