

**INCONSEQUENTIA AND FEAR OF FREEDOM  
LEAD TO CONVERSION  
OF BILLY JUNIOR  
GILDED CREATOR**

The only tyrant threatening people

Is their own state

The state is the bully to control

Under the pretext of doing good

From school teaching

To health control

We are persuaded

To live the material

Life in fear

And coaxing

Until the happy release

Of death

Billy Junior has struggled with

These thoughts since

His father's recent

Death and self sacrifice

In being murdered by Letham

As Billy Junior's father

Billy Gilded Creator

Intervened and allowed

Letham's knife

Intended for

Billy junior

To be plunged into

The father's

Billy Gilded Creator's

Chest and offer

His entry to

Sweet eternity

In as he himself

Claimed in Christ's name

A name Billy Junior

Had denied until

His reflections now

Urged differently

As he embarked onto

His missionaries

To the 4 ends of the earth

With Wilhemina

And other friends

To accept Christ  
Seems the capitalist  
Cover up and excuse  
For imposing poverty  
And unequal wealth

Till Billy Junior  
He hopes to eradicate this  
In his vision of  
Freedonia  
Which Slavonia anticipates  
Communism  
Offers no eternal release  
And has little unequal  
Wealth share  
Exploitation continues  
Despite its ideals

So Billy Junior

Seeks to replace both

Capitalism and Communism

As they both remain

Inadequate abuses

Of resources that

Belong to all peoples

Billy Junior is now

In the North with Wilhelmina

Confronting the tyranny
